Who is The Modern Conman?

For nearly two decades, I have performed at hundreds of weddings & corporate events using my own style of close up magic, misdirection & showmanship.

Creating 1st class entertainment for literally thousands of clients.

During this time, I realised that most wedding couples had a standard introduction into their wedding breakfast, I realised that I could add so much more to make your special day the best it can possibly be, so developed The Modern Conman & Magical Host.

The Modern Conman was developed to take away the stigma people still have of magicians & magic.

I do not claim to possess magical powers, but amaze you and your guests with a mixture of modern psychological techniques, world class sleight of hand and obviously cheating.

Creating the perfect package of a magician and host.

I will make all the announcements, create a fantastic atmosphere, your guests will be entertained and you will have a unique introduction to your wedding breakfast.
